

# Picazzo's

GOURMET PIZZA & SALADS

## GLUTEN-FREE MENU

---

*When Rick Freedman, the founder of Picazzo's, arrived in Arizona he loved everything about it. Except...he missed the kind of gourmet pizza he was so fond of. Being a man of action with a passion for cooking, it didn't take long for him to develop his very special recipes. In 2002 the original Picazzo's opened in Sedona. Sedona quickly discovered what they had been missing. Picazzo's and their "art of pizza" became a runaway hit.*

*Phoenix residents visiting Sedona begged for a Picazzo's closer to home. So, in early 2004, "Picazzo met Frank Lloyd Wright" in North Scottsdale. Now Picazzo wants to become your neighbor as the restaurant debuts all over town.*

*Picazzo's would also like to extend a warm welcome to our friends who may be gluten intolerant. We now offer an exclusively gluten-free menu that has been meticulously reviewed to ensure a gluten-free dining experience. This menu includes our pizzas, salads, dressings, desserts, sauces, toppings and beverages.*

*If you're wondering how we've developed such a great gluten-free product, you need look no further than Tom Sawyer Gluten-Free Flour. No fence painting here, just a man with a desire to enjoy eating again. Tom Sawyer is from Sedona, AZ and was diagnosed as gluten intolerant several years ago. He's spent years after his diagnosis in his own kitchen perfecting flour that wouldn't crumble and taste great. Picazzo's has partnered with Tom in an effort to come up with the best gluten-free pizza on the market. We've accomplished that and want to share it with you, thanks Tom.*

For those gluten-intolerant folks who may have further questions about the precautions taken by Picazzo's to ensure a pleasant dining experience, please consult the list below. If you should have other concerns or comments, please do not hesitate to ask one of our helpful staff.

- Gluten-free pizza's are cooked on their own pizza stone to minimize the risk of cross contamination.
- Gluten-free dough is made in an isolated prep area to minimize the risk of cross contamination.
- Gluten-free dough is prepped on designated pizza pans and sealed to minimize the risk of cross contamination.
- Gluten-free utensils & sauce containers are separate & color coded from other utensils and containers.
- All Picazzo's recipes have been reviewed and approved as gluten-free by a certified nutritionist.
- Training with staff will always be an ongoing challenge & opportunity for future education.
- We work closely with Tom Sawyer and consult with him on all our gluten-free products.

**GLUTEN-FREE DOUGH AVAILABLE TO-GO 5**

*Picazzo's supplier facilities may contain traces of sulphites, nuts and soy.*

*As hard as we try to maintain a gluten-free establishment, Picazzo's is not responsible for illness due to gluten-free products or cross contamination.*
